The Neighbourhood Policing Team meets regularly with partners to ensure we have a multi-agency approach to local issues, individuals and problem solving. These meetings are attended by local partners, including Humberside Fire and Rescue Service, Youth and Family Support, Housing Officers, Environmental Health and the East Riding Anti-Social Behaviour Team, among others. We share information and resources to deal with local neighbourhood issues, in particular, those identified as causing the most harm in the community.

We also continue to patrol the Howdenshire areas during our shifts and post on Social Media on a regular basis as a way of keeping everyone updated.

4. Crime Reduction Advice

Advice about fraudulent texts

Action Fraud, the national fraud and cyber reporting centre, has seen a number of different scams circulating over the last couple of years in relation to Covid-19.

This includes text messages or calls prompting someone to purchase Covid tests, protective masks, or hand sanitiser.

Criminals are using these messages whilst in disguise of the NHS or the Government.

We are issuing another reminder to take a moment to think before parting with your money or information, especially if the request has come from a text or a cold call.

Do you know or trust the person it's come from? It's ok to reject, refuse, or ignore any requests.

Only criminals will try to rush or panic you.

If you received an unexpected text or email asking for personal or financial details or to prompt you to buy something, do not click on the links or attachments.

These scammers are sophisticated in their approaches and anyone can be a victim of fraud with fraudsters constantly reinventing themselves to find new ways to trick people.
