### 3. Community Priorities.

The Neighbourhood Policing Team meets regularly with partners to ensure we have a multi-agency approach to local issues, individuals and problem solving. These meetings are attended by local partners, including Humberside Fire and Rescue Service, Youth and Family Support, Housing Officers, Environmental Health and the East Riding Anti-Social Behaviour Team, among others. We share information and resources to deal with local neighbourhood issues, in particular, those identified as causing the most harm in the community. We also continue to patrol the Howdenshire areas during our shifts.

### 4. Crime Reduction Advice.

#### Distraction Burglars and Rogue Traders

A distraction Burglar is someone who gains access to your property by distracting or tricking their way in to steal cash or valuables. This can include claiming to be representing a company or charity to gain entry into homes before stealing items whilst the occupants are distracted.

A rogue trader is a cold caller who deliberately overcharges for unsatisfactory goods and /or services. This can include charging for unnecessary work, damaging property deliberately in order to obtain money, leaving work unfinished and intimidating behavior in order to extort money.

**LOCK, STOP, CHAIN and CHECK:** When someone calls at your door and offers to do repairs to your home or to ask for urgent help, or when someone official knocks on your door, follow these simple steps to help protect yourself and your home from bogus callers.

- **LOCK:** Keep your front and back doors locked at all times, even when at home.
- **STOP:** Before you answer, stop and think if you are expecting anyone. Check that you have locked any back doors and taken the key out. Look through the spy hole or the window to see who it is.

- **CHAIN:** If you decide to open the door, put the door chain or bar on first. Keep the bar or chain on while you are talking to the person on the doorstep. Some bogus callers call on older and vulnerable people saying they need help urgently. They may ask you to help them outside the house or ask to come in to make a phone call or have a glass of water. Only go to help them if you have someone else with you. Don't worry if you choose not to help it is not rude or unfriendly. Normally, when the door is shut and locked, leave the bar or chain off in case you need to get out in an emergency or a carer or relative needs to gain access with a key from outside.

- **CHECK:** If someone who looks official calls at your door, always do the following: Ask for and carefully check their identity card, even if they have a prearranged appointment (all genuine callers will carry one). Do they look like the person on the card? Is the name the same one as that on your letter? Close the door while you do this.
- If you are not expecting them and they have not shown you an identity card, do not let them in until you have checked and double-checked that the caller is genuine. If you think the caller is genuine, but you would rather have a friend or relative with you, ask the caller to rearrange to a time when you are not on your own. Genuine callers will always be happy to make an appointment to call and will carry an identity card with a photograph. They won't mind waiting if you want to phone and confirm their identity or want to rearrange the appointment. If you are going to ring the company or organisation the caller claims to be from, don't rely on a number provided by them, you could be ringing an accomplice sat in the van outside.

Lastly don't agree to any work or sign anything on the spot. Do not be pressured into having any work carried out. Never pay cash up front and never go to the bank or cash point with a trader.
