HAF

Holiday Activities & Food

Be a part of HAF and enjoy making memories

There's lots of free activities available in the Easter, summer and Christmas holidays for children and young people eligible for benefits related free school meals. Why not burn off some energy on our sports, dance and football camps, or relax at our farm experiences or SEND programmes? You could also learn a new skill by taking part in outdoor adventure, cooking or drama workshops.

All sessions are four hours long and include a meal for those who go to school in the East Riding (but don't necessarily live in the county).

A small number of places on the programmes are also available for children and young people with an EHCP (Education, Health and Care Plan), regardless of their free school meal status.

EAST RIDING OF YORKSHIRE COUNCIL

Department for Education

In the Easter and Christmas holidays, children and young people can attend up to four free sessions, and up to sixteen in the summer holidays subject to availability. Places are allocated on a first come, first served basis.

BENEFITS RELATED FREE SCHOOL MEALS

To qualify for HAF activities, you will need to apply to the council to see if you are eligible for benefits related free school meals.
